Drive through Morristown Flu Clinic October 21st 3-5 p.m. Morristown Community Center

Rice County Public Health will be offering a drive-through flu vaccination clinic on Wednesday, October 21st from 3 p.m. – 5 p.m. at the Morristown Community Center, 402 Division Street South for anyone 6 months and older. For the drive-through clinic, everyone must stay in the vehicle. Please wear face coverings and short sleeved shirts for ease of vaccine administration. In case of inclement weather, vaccinations will be moved indoors with physical distancing maintained.

Vaccines available include high-dose vaccine for those 65 years and older; quadrivalent injectable for 6 months and older; and FluMist for those 19 years through 49 years. A fillable vaccine administration form is on the Rice County Public Health website: http://www.co.rice.mn.us/256/Public-Health. Please bring your completed form with you to the clinic.

Rice County Public Health bills most insurances. Those with or without insurance are welcome – no one is denied due to inability to pay.

As a reminder, “Park and Go” flu vaccination is also available every day at the Rice County Public Health Department in Faribault. Call 503.326.6111 or 507.332.5928 to schedule an appointment.
